ABDELMUIZZ **YUSUF**

1337 Discovery Ave, Kelowna, BC V1V1V8 |+1.778.214.2925 |abdelmuizz.yusuf@hotmail.com |https://muizzyusuf.github.io

PROFILE:
I am an enthusiastic, highly-motivated 3rd year computer science student with proven leadership capabilities; who likes to take initiative and seek out new challenges. I am currently seeking a job opportunity as a co-op student.

EDUCATION:
University of British Columbia Okanagan | Expected graduation May 2022
B.S. in Computer Science, Minor in Data science
Relevant coursework: Java programming fundamentals, Data structures and algorithms, Introduction to Databases, Introduction to Web programming, Introduction to Data Analytics.

SKILLS:
- **Proficient:** Java, HTML5/CSS
- **Familiar:** Python, SQL, R-studio, Microsoft Excel, JavaScript
- **Knowledge of:** Bootstrap, JQuery, Json, Unit Testing, XML
- **Soft-skills:** Interpersonal skills, problem-solving, collaboration, Active listening, flexibility, self-management.

PROJECTS:
Reminder Bot - July 2019|Node.js, SQL, IBM Watson Assistant
Worked with a group to design a Facebook Messenger chat bot that sets, deletes and updates reminders. User sends a message containing reminder details (date, time, location etc.) Bot saves reminder in database and generates unique reminder identification number.

Weather App - Nov 2019|Node.js, EJS, Bootstrap
Designed a weather web application that returns the temperature at a given location using the DarkSky API. The location is inputted as longitude and latitude and the current temperature is returned in degree Celsius.

EXPERIENCE:
University of British Columbia| Residence Advisor - Sep 2018 – Present | Kelowna, BC
- Responsible for creating a positive, safe, and fun environment for 40 university students living in on-campus residence.
- Develop program initiatives and establish traditions for the community and within the university residence area.

Paragon Testing Enterprises| CELPIP IT Technician - Dec 2018 – Present | Kelowna, BC
- Responsible for reporting to the CELPIP Test Centre Supervisor and work in collaboration with the Director, Student Development and Advising, and CELPIP Test Invigilator(s).
- Conduct demo tests, prepare the CTC Host Server and Registration Client.
- Prepare the workstations and invigilate the CELPIP test.

Accenture Nigeria| Intern - Aug 2018 | Lagos, Nigeria
- Introduced to web content management and content management systems like WordPress and Drupal.
- Re-introduced to HTML 5, CSS & JavaScript.
- Created a sample landing page for a client.

Jobberman Nigeria| Intern - Jun – Jul 2018 | Lagos, Nigeria
- Engaged in the process of requirement gathering and problem solving.
- Introduced to SQL and the roles of a business intelligence analyst.
- Researched numbers and analyzed trends in the podcasting market to strengthen a pitch for a company podcast as a new source of revenue and a means to generate new leads.

ACTIVITIES & VOLUNTEER:
- **Volunteer**, Let's Talk Science Okanagan   2019-Present
- **Junior Executive**, African & Caribbean Student Club   2017-Present

HONOURS:
- African Leadership Academy Global Scholar, 2016
- Duke of Edinburgh International Award, Gold Medal, 2017
